

# ATTENTION PARENTS!

DOES YOUR CHILD HAVE HEALTH INSURANCE?

Your child may qualify for affordable health insurance through Children's Medicaid or the Children's Health Insurance Program (CHIP). If you are pregnant, you may also qualify for the CHIP Perinatal program.

## CHIP can cover all of your children for a full year for \$50 or less

**A family of 4 can qualify if they earn up to \$44,100/year or \$3,675/month**

### Benefits Include:

Doctor visits, vision, dental, prescriptions, shots/immunizations, labs, x-rays, hospitalization, mental health, specialty care, hospice, basic prenatal care and more!

**Visit [www.chipmedicaid.org](http://www.chipmedicaid.org) or  
call 713-664-4080 for a FREE application**

### What to Present:

- ✓ Copy of a recent paycheck stub OR income tax form
- ✓ CHILD's social security number
- ✓ Copy of CHILD's birth certificate or permanent resident card
- ✓ Copy of child support income (if applicable)
- ✓ Copy of child care expenses (if applicable)
- ✓ For cash income – include a dated, signed letter from your employer.

*Letters must include employee name, amount earned, length of employment, and a phone number for the company.*

**Children must be age under age 19 and either U.S. citizens or legal permanent residents**
