

**Children's Defense Fund - Texas
Advocacy Training
Participant Survey**

Please rate the following statements.

	Strongly Agree	Agree	Disagree	Strongly Disagree
Because of this training:				
I understand why advocacy can make change for me and others.				
I am more likely to take action for children.				
I am more likely to help others in my community connect to needed resources.				
I am more likely to share information about the state of Texas children with others.				
I know how to talk to my elected officials about my concerns.				
I know how to help others find out who their decision-makers (senators and representatives).				
I understand the importance of speaking out (publically) about children's issues.				
I feel more comfortable expressing myself when discussing children's issues.				
I feel more confident calling my senator or representative in the future.				
The training gave me a chance to practice advocacy strategies.				
I would recommend this training to someone who wants to learn more about how to advocate.
